

JUNE 24 9:00 AM- 12:00 PM OPTICS SEMINAR/BIRD WALK

Join us Saturday, June 24, for an optics seminar, bird walk & photography presentation. Tom Dunkerton, photographer & Opticron Optics representative, will explain how to choose & use various optics & will have a large variety of binoculars & spotting scopes for everyone to try. Tom will lead a bird walk and show some of his beautiful nature photography.

Refreshments will be served.

Free event, pre-registration is appreciated.
